## President Trump miraculously survives assassination attempt at campaign rally in Pennsylvania.

So close was the bullet that it pierced the President's ear. Had he not turned his head at the last moment, the outcome would have been much different. Secret Service converged on the President, protecting him from any additional rounds that were being shot. Tragically, three spectators at the rally were struck by some of the bullets.

Two are in critical condition. Corey Comperatore, who protected his wife and two daughters from the bullets, died from his wounds. FOX News, along with other national media covered the tragic event. Thankfully, President Trump survived the shooting and is in good spirits. He expressed his appreciation to the security detail and his condolences to those who were tragically affected by the shooting. The FBI announced that they will lead the investigation. Members of Congress are calling for hearings and for members of the Secret Service agency to appear before Congress to explain the security breach. Congressman Jim Jordan who chairs the Judiciary Committee has called for hearings on the security breach and what some are calling a catastrophic failure of the Secret Service to protect the former President and current presidential candidate. Many have asked that an independent investigation be launched since the current FBI and Justice Department have been politically weaponized against President Trump. In immediate response after the shooting, the Biden Campaign pulled down all its political ads. Some in the liberal media acknowledged that their rhetoric against President Trump and his supporters led to this level of violence. Many are calling for the political left to stop its hateful, outrageous rhetoric against President Trump and his supporters. For the past several years since the 2020 Election, conservatives and supporters of President Trump have been maligned, ridiculed, and told publicly that they are the problem.

President Biden, in his speech last year at Independence Hall draped with all red and a military guard, said that Trump and his supporters are “an extremism that threatens the very foundation of our Republic.” This is the dangerous rhetoric that has led to this environment of political violence.

There are those on the political left that realize the error of their ways and are calling for a more civil exchange politically. President Trump has been changed by the experience. How could one not be? He was right at death's door. In his Sunday morning message after the shooting, he stated, "It was God alone who prevented the unthinkable from happening. We will FEAR NOT, but instead remain resilient in our Faith and Defiant in the face of Wickedness."

**If JD Vance becomes VP, DeWine gets to pick his Senate replacement**

POLITICS 10:30 p.m. ET July 15

There are many who are changing their minds about President Trump and are supporting him. The Republican Party held its RNC Convention in Wisconsin with the big announcement that Ohio's own U.S. Senator J.D. Vance is President Trump's choice for his Vice-Presidential running mate. OCA President Chris Long congratulated Senator Vance and let him know that we will be praying for him and his family.

**Mark your calendar for Thursday, September 26<sup>th</sup> for the OCA Fall Freedom Banquet in Columbus at the Villa Milano.**

OCA will be providing voter registration information to churches across Ohio. OCA will also publish its 2024 Presidential Election Voter Guide that will include the U.S. Senate Race, Congressional, Ohio House, Ohio Senate, and Ohio Supreme Court.

The radical left has secured enough signatures to place a disastrous redistricting plan on the ballot in November. The Ohio Christian Alliance is urging vote NO on Issue 1. The political left wants to turn Ohio blue, and if Issue 1 passes, they will be well on their way to doing it by redrawing district lines that favor liberal Democrats. We will have more detailed information on Issue 1 in our next newsletter and on the OCA website.

**Now a special word about a call to prayer for our Nation at this desperate time.**

"Many people have urged that I call the nation into a single day of special prayer. But because the road is long and the desire is great, I ask that our people devote themselves in a continuance of prayer. As we rise to each new day, and again when each day is spent, let words of prayer be on our lips, invoking Thy help to our efforts."

*President Roosevelt's Prayer to the Nation.*

**Continue in prayer, and watch in the same with thanksgiving; Colossians 4:2**

Thank you for your continued faithful support - IT IS MOST NEEDED AT THIS TIME!
